

K&C Innovation Solutions, LLC

At KCIS, *Tomorrow Solutions, for Today's Problems*. KCIS offers a wide range of value-added products and services, including extended warranties and service contracts, supplemental hardware, installation, setup, training services, professional consulting services, customization (turnkey solutions), and software programs. KCIS works with only select third-party products from reliable manufacturers that produce quality goods.

KCIS is a Native American & Woman-owned small business located in Tulsa, Oklahoma. We are pending EDWOSB and HUBZone certifications, which allow us to participate in several Federal Government Small Business programs. In addition, KCIS is eligible for participation in the DoD Indian Incentive Program.

Why Us?

- ✓ Deliver tangible business results to clients to enable mission goals from the advanced use of technology and our extensive IT accessories experience
- ✓ One of our main priorities is to ensure our Innovative IT Solutions are On-Time and within budget for our federal partners.
- ✓ Implemented ITIL standards and PMI best practices within our ordering process. Our process will fully integrate with the federal procurement system.
- ✓ Our Methodologies provide advanced solutions that leverage the best resources for alignment with client policies, directives, and approaches.
- ✓ Our Quality Management approach takes into consideration standards, regulations, performance requirements, deliverables, and Service Level Agreements (SLAs)
- ✓ Our goal is to be recognized for quality delivery, cost-effective solutions, and customer-centric mission advancement
- ✓ Ensuring compliance with applicable regulations
- ✓ Our employees make an absolute commitment to excellence in our contract performance and products
- ✓ Purchase card accepted
- ✓ Provide sustainable technologies and environmentally preferable products

KEY TAKEAWAYS

- KCIS is a company that enhances another company's products by adding valuable features or services to those products.
- KCIS adds value to third-party products, then resells those products at a special price that works within our customer's budget.
- KCIS's major aim is to provide value-added services to develop relationships with our customers and create a true & trusted partnership.

Our solution provides an opportunity to achieve significant savings and meet sustainable acquisition and other socioeconomic goals
